According to PayScale, the average salary for a person with a Bachelor of Arts in Business Administration is $67,000. This is comprised of positions that require the degree including Human Resources Manager, Marketing Manager, Account Manager, Financial Analyst, and Operations Manager. In a survey of employees, those with a B.A.B.A. degree rated their job satisfaction as 5/5 ‘extremely satisfied.’

WTU believes in simple, fair pricing. CollegeTuitionCompare.com shows that at $198 per credit hour, tuition at Washington Technology University is the lowest of any private school of its kind in the state of Washington. WTU’s tuition is comparable to the tuition at local state universities. With small class sizes and highly qualified faculty, WTU provides exceptional value.

The Bachelor of Arts in Business Administration prepares students for the work of business administration within a variety of professional contexts including technology-related entrepreneurial organizations. Students are offered a comprehensive business education covering key areas of management, organizational behavior, accounting, marketing, negotiation and conflict resolution, and law and ethical decision-making.
